

PENOBSCOT ISLAND AIR GROCERY DELIVERY

To set this service up... please call PIA at 596.7500.

We will need the following information: name, address, phone number, credit card.

Our delivery charge is \$10/box, your card will be run when delivered.

Option One: This is the procedure for using “Hannaford to Go”... (HTG):

1. HTG only uses Hannaford gift cards.

2. Orders need to be in to Hannaford by Monday night for Wed delivery, and Wed night for Friday delivery. Pick up day will be Wednesday and Friday at 11am...ideally to be flown out that day.
 - a. When placing your order online, you will be asked for a time (slot) for what time you would like your order ready. Hannaford does not take phone orders. You need to select Wednesday/Friday 9am, 10am or 11am. You need to write “Islesboro and PIA will pick up”.
 - b. PIA will call to let you know when the groceries are on the way, for you to meet at the airstrip.
 - c. With all that is going on now...there are very limited spaces available on HTG...because of low inventory and a high volume of customers, many folks have not been successful in getting through...they are doing their best.....

Option Two: South End Grocery in Rockland is also offering delivery service. Call 596.7321 to place your order. They will gather your order and deliver to us... we will bring them to the island and call you to pick up at the airstrip. South End has asked just to be patient...they, as well, are getting many calls...they appreciate you calling them!

Thank you! Please be safe! Any questions, please call PIA at 596-7500.
