Learn to develop and share stories through a group art project inspired by nature and community.

2015: ARTirondack Chair

ARTIRONDACK WORKSHOP

Two sessions: August 4th-7th, and 11th-14th

Sonia is a native of Mexico City and made her way to Maine through many adventures. She has used her degree in Aquatic Science to teach youth about the environment, and uses art to teach kids to connect to themselves, each other, and nature. She has worked as a camp counselor, has a budding independent art healing venture, and is the site director for an after-school program in Bethel. Facebook: Sonia Albin: Stories + Arts
