

Town Informational Meeting
Islesboro Municipal Broadband Network
Thursday, May 26th at 6:00 PM
G.H. Kinnicutt Center

On May 18th the Board of Selectmen reviewed the details of the Broadband Committee's proposed solution and unanimously voted to recommend Town approval at the Annual Town Meeting to be held June 18th. On May 26th there will be a Broadband Information Meeting to discuss the proposed solution for high speed internet access. The municipally owned network will contract with GWI to operate the system and maintain a high level of service and support. This generational investment will serve our community into future decades. Come learn about the network; what it will cost; how it will be financed; what you need to do to be connected; and what you can expect for your residence or business.
