

Islesboro Town Building Committee

October 11, 2011

The Islesboro Town Building Committee met at 4:00pm on the date indicated above in the town office building room. Members present were: David Pendleton, Sandy Randlett, Frank Start and Grayson Hartley.

The committee reviewed Ron Gallant's letter to the town officials regarding the bids on the town building roof. It was the opinion of the committee members that this was a matter for the town officials to deal with and not the building committee.

It was the unanimous opinion of the committee members that the function of the building committee is to identify needed maintenance projects on town buildings and property, but it is the responsibility of the town officials to plan and supervise the measures to be taken to correct the maintenance project as identified.

The committee decided to meet every two weeks and review the condition of the town buildings and property and recommend needed maintenance.

The next meeting will be at 4:00pm on October 25 at the Alice L. Pendleton Library.

Grayson Hartley reported that the Town Manager had recommended that the committee meet with Fred Porter and Murt Durkee to review their office needs.

The meeting adjourned at 5:00pm.

Respectfully submitted,

Grayson A. Hartley
