**Energy Committee Meeting Guidelines:**

Materials emailed at least 2 days in advance, otherwise printed for the committee to read in the meeting.

Be prepared. Do your reading and have questions ready.

Annunciate clearly when speaking (and speak up) so everyone can hear clearly.

Avoid interrupting others when they are speaking.

Please listen carefully (and use your hearing aids if needed) so we reduce repeating discussions.

Be brief, clear, and concise (limit background information and commentary, others can ask questions if more clarity is needed).

Stick to the agenda/don't add new items without approval from the chair.

Avoid side conversations that distract from the discussion.
