

Islesboro Energy Committee Meeting Minutes December 10, 2018

Petzel House

129 Sprague Cove Lane

Present: Sandy, Toby, Janis, Dave, Bill, Melissa

1. Call to order 1:05 pm
2. Approved December 10th meeting minutes
3. Coastal Connector (Belfast bus)- administration in transition. Toby would like to see more islanders use service. Mid-day buses might encourage usage. Dave requested the PPA.
4. Wind turbines - Melissa reported that smaller turbines, such as individual house units, might be more feasible than full-size turbines. Will check with PYY and ICS on possibilities.
5. Energy audit funds -
 - a. Request must be processed through the town before funds can be released.
 - b. Sandy suggested that improvements on the town building wait, because building may be renovated.
 - c. Suggested that committee representative attend Jan. 9th selectboard meeting to improve committee visibility and communicate to the board our efforts.
 - d. Committee agreed to hold a workshop in early February to inform selectboard on town energy possibilities.
6. John Kauer will be invited to next energy committee meeting (as potential member or expert on a particular topic?)
7. Adjourned 2:10 pm.
