Meeting ID: 823 6976 0795

Passcode: 950673

AGENDA

1. Meeting called to order, establish a quorum.
2. Vote on minutes of January, 2024
3. Anyone wishing to address the Harbor Committee
4. Harbor Masters' reports
5. Approve a recommended FY 25 budget covering the period July 1, 2024 through June 30, 2025.
6. Discussion of developing a Comprehensive Harbor Plan.
Note: A new Dept. of Marine Resources planning grant for coastal communities is available.
7. Discussion of ways the Harbor Committee can collaborate with other Town Committees.
Note: The Select Board asked Town committees to seek way of collaborating with other town committees.
8. What can the Harbor Committee do to help residents prepare for coastal storms?
What boat owner information is currently available and assessable for Harbor Masters' in the event of a predicted storm?

"As sea level rises, we can expect that somewhere around 2050, we're going to go from seeing just a few days of high tide flooding a year to seeing somewhere around 70. And then later, towards the end of the century around 2100, we might see high tide flooding nearly every day."

Dr. Hannah Baranes, Ph.D.Coastal Scientist

Note: Please read Gulf of Maine, Explained: Storms and coastal flooding.

A publication of the Gulf of Maine Research Institute

9. Duties and responsibilities of Harbor Masters
10. Motion to adjourn
