The Public Hearing was called to order at 5:40 PM, immediately following the Board of Appeals Public Hearing. Chair Faye explained that the changes made to the four ordinances being considered were due to the codification. The ordinances that have proposed changes are the Development Review Ordinance, the Land Use Ordinance, the Floodplain Ordinance and the Camping Ordinance. She went on to explain that most of the changes are due to the attempt at standardizing the language throughout all ordinances. There were no comments from the public.

MOTION by M. Small to close the Public Hearing. P. Coombs seconded the motion and it passed 5-0. The Public Hearing closed at 5:45 PM.

M. Schnur told the Board that they are looking towards the end of June for a Special Town Meeting for adoption of the code.

Respectfully submitted,

Peggy Pike
Secretary to the Islesboro Planning Board
