

Sign up deadline for Summer Swim lessons, ages 6 & up, at the Waldo Y is June 22nd at the very latest. First come, first served. We need to set up our swim instructors and chaperones, so this date is a final deadline. Islesboro Summer Swim information and sign up forms went home via ICS and hard copies are available in the town office. Goggles or a light weight, child's sized swim mask are very helpful for optimum swimming progress; this helps your child submerge face and "see" under water, which helps progress. Day gear needed: hat w/brim, towel, change of clothes, sunblock/bugspray (family preference or not), signed permission for someone other than you to p/up after lessons. Wednesday in July, with first Aug. Wednesday our electrical storm make up date. Sign up soon! Call Kara with questions: 207-381-7943.
