As Janet is going to be posting for the concession stand lease in January or February, she would like the BOS to be thinking about what they would like to see or do regarding this. The BOS will discuss this further possibly at a workshop.

## **COMMENTS**

Arch Gillies: Arch would like on the next agenda discussion amongst the BOS regarding the

next steps to take in the fight against tick-borne disease on Islesboro. He feels the BOS should discuss first amongst themselves and then invite in the other committees and people to discuss.

Sandy Oliver Sandy passed out a document she wrote entitled “Constituencies in Deer and Tick-Borne Disease Issue”. The document is the result of her goal of trying to understand “all” points of view on this subject matter. She states “there are three other points of view to consider rather than those of the DRC and T-BDC”. She says that she has heard a lot from Arch Gillies on this topic, (and no doubt everyone has heard a lot from her as well), but notes there are three other people on the Board whom she has not heard from on this issue. She specifically would like to hear ideas and thoughts from Jay Zlotkowski, Hanna Kerr, and Gabe Pendleton regarding this matter at the next meeting.

MOTION by J. Zlotkowski to adjourn the meeting. G. Pendleton seconded the motion and it passed 5-0. The meeting adjourned at 7:48 PM.

Respectfully submitted,

Peggy Pike  
Secretary to the Board of Selectmen
